ARTISAN CHOCOLATIER

## **Bean to Bar Taster**

**Would you like to know more about the cocoa beans that make up your chocolate? Do you crave Criollo, favour Forastero or are you tempted by Trinitario?**

**Why not join us for an evening dedicated to the Food of the Gods.**

This taster evening is aimed at those people who want to know a little more about their chocolate. We will start of with a brief introduction about mans' earliest relationship with the humble cocoa bean, right through to the present day. During the evening, you will be able to try some of our very own Bean to Bar chocolate made right here in Conwy.

We will taste chocolate made with several different cocoa beans and, as with our usual taster evenings, you will get to rate and discuss each one.

Baravelli's were the first people in Wales to make bean to bar chocolate and your tutor, Emma Baravelli is an award winning Master Chocolatier
